

Perinatal Community Coalition

The Perinatal Community Coalition (PCC) brings community stakeholders and health care providers together to serve as an advisory board for maternal and infant health in Humboldt County. We cover topics relevant to all aspects of perinatal health.

- Breastfeeding
- Safe Sleep
- Doula Support
- Local Data and Trends
- Perinatal Mental Health
- Perinatal Substance Use Disorder.

The PCC:

- Provides resources and updates of program successes
- Is dedicated to addressing community needs by examining barriers to accessing care
- Engages the diverse community members who will advocate for sustainability
- Builds and maintains community partnerships with champions for the Maternal, Child and Adolescent Health (MCAH) populations.

Meetings are Tuesdays from 3 to 5 p.m.

- June 16, 2026
- Sept. 15, 2026
- Dec. 15, 2026
- March 16, 2027

This is a virtual meeting.

If you would like an invitation to attend Perinatal Community Coalition meetings, please scan the QR code or email MCAH@co.humboldt.ca.us

This coalition consolidates and replaces the Breastfeeding Taskforce, the Humboldt Pregnancy and Postpartum Support Network and the Perinatal SUD coalition.
